

Detailed step-by-step registration instructions

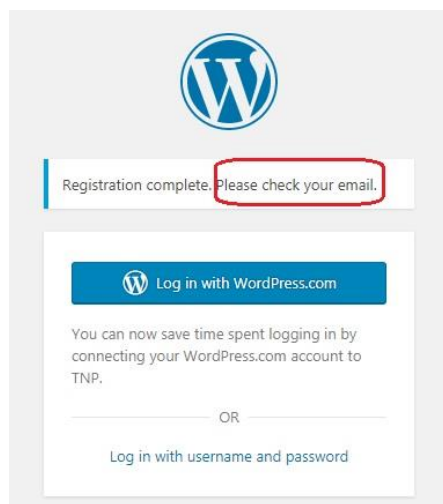

1. Click the item **Register** in the right sidebar on the website

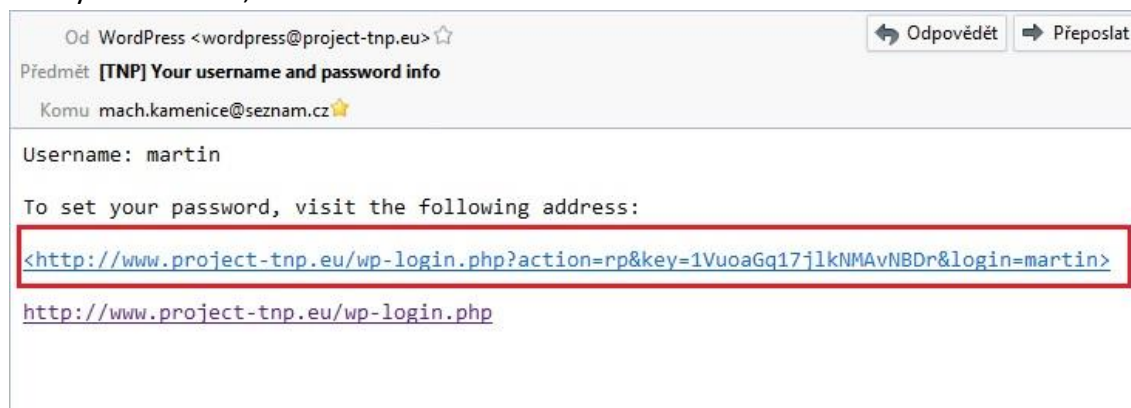

2. Fill in the required information and click **Register**

A screenshot of the WordPress registration form. At the top is the WordPress logo. Below it is a header 'Register For This Site'. The form contains two input fields: 'Username' with the value 'martin' and 'Email' with the value 'mach.kamenice@seznam'. Both fields are highlighted with red boxes. Below the email field is the text 'Registration confirmation will be emailed to you.' and a blue 'Register' button, which is also highlighted with a red box.

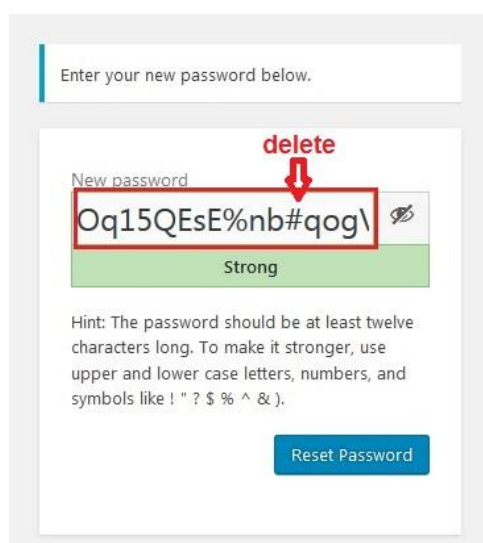

3. Check your mail
