Project Meeting – Çeşme (Izmir), Turkey

Project teams arrived to the place of Joint staff training event – Çeşme, 80 km far from the city of Izmir on 9, June. Czech team met together to discuss the JSSTE program in the evening.

The project manager Karel Stix opened the morning part of the project meeting, he welcomed all team members and two guests: Václav Jordán, a doctor working as a gynecologist in a hospital in Switzerland, and who acts as an external evaluator of the project. Mrs Hana Šímová, the second guest, works as the head of the Department of Education, Youth and Sports of the South Bohemian Region.

Mrs Ilona Bláhová informed the team managers about the PM schedule including the daily programs and then she presented conclusions of the Outputs 1 and 2, and the product goals depending on the project schedule. Another presentation by Ilona Bláhová concerned the quality of the outputs. After this performance each partner presented their outputs materials.

Co-funded by the
Erasmus+ Programme
of the European Union

The afternoon program started with a presentation by Dr. Jordan and it was focused on extending project evaluation and comparing countries in the delivery of healthcare and patient access. Ilona Bláhová introduced another topic: General Proposal of the Verification of Outputs. The afternoon program continued with presentations by partners on the subject.

The morning program of the second day concerned the upcoming student mobility to partner countries. All formal issues have been presented by each project manager. They provided information to reports of students'tender, lists of students, their recruiting, programs of mobilities, pedagogical accompaniment of students, etc. Project manager Ilona provided information on evaluation methods and verification of outputs. Afternoon program was focused on partner work in pairs (hosting and receiving partners of mobility). They were also discussed on learning agreement, manual of mobilities, virtual mobilities and a specific program in a place of mobility.

On Wednesday morning, the partners informed each other about the outputs of actions 3 and 4 (Brouchures and Dictionaries). Project manager Karel Stix presented to the partners Strategic plan of dissemination for period: June 2019 – June 2020. He also introduced to them the specific results of the Czech team's dissemination plan in the previous period and presented a concrete plan for disseminating the Czech partner for the next period. Then the partners presented their dissemination plans. In the afternoon, the Danish partner presented the finalization of the dissemination video for ME. After the meeting program, the participants visited the city of Izmir.

The last day of the joint meeting focused on financial and administrative issue. The financial manager Jaroslava Malinovská informed the participants about the financing of the project activities. The Spanish partner opened the question of organizing the Final Multiplier Event in Badalona in June next year. The term of ME was negotiated by all teams. Partners agreed on the date of a conference (15-16 June, 2020). The final part of the joint meeting was intended for individual meetings of partners with project coordinators on the topics of financial, administrative and organizational problems. At the end, the participants were presented with certificates by the Turcian team. After the final joint dinner, the partners left home.

Next meeting is going to be held in the Czech Republic, 30-31, January 2020.
